

OUR TEAM

ZORAYA E. LEE-HAMLIN

With over 19 years of experience, Zoraya utilizes her expertise in the areas of marketing and fund development to help organizations accomplish their marketing and resource development needs. Zoraya is the President/CEO of RayZo, Inc. and has assembled a team of highly talented professionals in web development, creative design, branding, marketing, communications, proposal writing and project management. RayZo's client rooster has consistently grown to include corporations and small businesses. Zoraya is a graduate of Rutgers Graduate School of Management and earned a Masters in Business Administration with a concentration in Marketing in 1993.

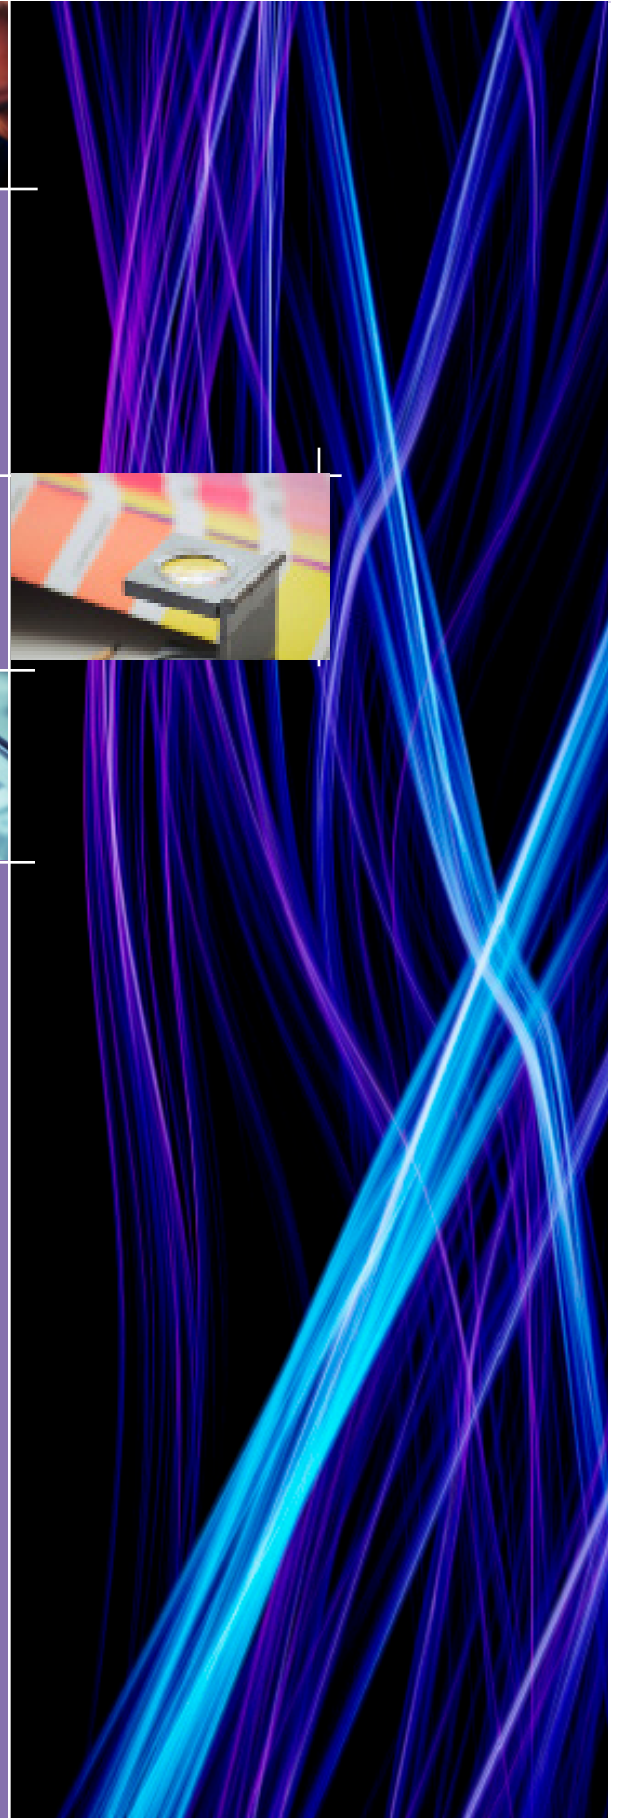

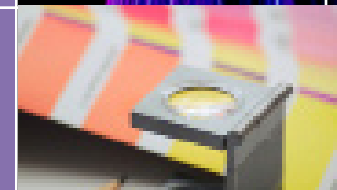

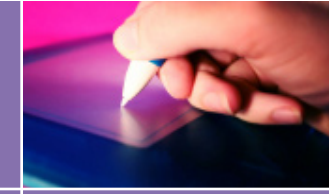

SOPHIA TINGLE

Sophia has over 12 years experience in print/presentation design, product layout, editing and a strong technical background. Sophia is the company's lead graphic design artist, Sophia reviews, analyzes, and creates visual solutions to communicate a variety of advertisement and marketing needs. Her artistic and professional disciplines have helped to translate ideas and messages into illustrative images — resulting in the creation of very simple to complex print designs.

Sophia is a graduate of New Jersey City University with a bachelor's degree in Digital Design and Illustration. Apart from being a graphic design artist, Sophia is a Travel Consultant and Event Planner, two additional expertise she provides RayZo, Inc.
